Tulip Cups

Innovative design, multiple tipped cups made of grease-resistant paper, available in three colors - brown, white and red; cups are resistant to wilting.

These baking cups are not freestanding molds and require a standard 2" base muffin pan for support.

Cups can be baked at temperatures up to 390 degrees Fahrenheit.

Cup material is produced in accordance with current FDA requirements and ISO9002 standards.

All cups are produced with 2" base diameter measurement.

Brown, White and Red Paper

132 x 132 Random* Tip 1-1/4" – 2-3/4" sidewall
2-1/4 to 3-1/2 ounce capacity

160 x 160 Random* Tip 2" – 3-1/2" sidewall
3-1/2 to 4-1/2 ounce capacity

175 x 175 Uniform* Tip 2-3/4" – 4" sidewall
